

SUVIDHA

Single window clearance for permission related to campaigning

Objectives:

- Candidates and political parties can apply for following different permissions during Election Campaign.
 - For meetings
 - For rallies
 - For vehicles
 - For temporary election office
 - For loudspeakers
 - For helicopters and helipads
- This system is put in place at every RO level in each sub-division.
- It provides for applying, processing, granting and monitoring permissions.

Facilities:

- Receipts generated for every application that can be printed and handed over to the applicant on successful submission of the application
- Availability Status- Applicant can now see whether the place sought for meeting etc. is booked on that date and time **BEFORE PROCEEDING WITH APPLICATION**
- Forwarding letter auto generated to the permission issuing authorities now have all details of the application.
- Assembly wise Police Stations are mapped.
- Concerned **police station** is now **getting alert** over registered **mobile** about the **application received & permission granted**. They are also getting the application papers for issuing no objection in Suvidha e-mail .
- **Application details Register** is auto generated capturing all details of the application and decision taken
- Event Place, Date & Time is now captured in the database.
- ✓ **Targeted Participants for training**
- ✓ **Concerned Nodal Officer/Section staff + IT Person at DEO/RO office.**
